

THE OHIO STATE UNIVERSITY
COLLEGE OF ENGINEERING

BAJA BUCKEYES

Baja Buckeyes is an Engineering Student Project Team at the Center for Automotive Research at OSU. Each year, we design, build, and race an off-road vehicle in SAE competitions against universities from around the world.

Baja Buckeyes is seeking monetary or product donations. As a self-funded team, we rely heavily on sponsors. Benefits include:

- Tax Deduction
- Support student learning
- Advertising
- Experienced potential interns

Gold - \$2000

- 36 in² logo on car
- Logo on website under 'Gold Sponsors'
- Banner in our shop

Silver - \$1000

- 24 in² logo on car
- Logo on website under 'Silver Sponsors'

Bronze - \$500

- 12 in² logo on car
- Logo on website under 'Bronze Sponsors'
